

Redcat Access all-in-one audio

With no installation required, Redcat Access simply brings clear audio to the classroom.

Ready to go right out of the box, Redcat Access delivers even distribution of sound and high speech intelligibility throughout the classroom to ensure the teacher's voice is clearly heard by all students.

Combined with Flexmike, Redcat Access delivers the teacher's voice clearly throughout the classroom.

- Simple to set-up, easy to use
- Add a second microphone for student sharing
- Optional battery for even more portability

Instructional audio creates better access to learning...

When students hear every word, valuable teaching time is more productive and effective for everyone
